SCHOOL SONG: "THE BELLS OF ST. MARY"

The bells of Saint Mary
I hear they are calling
The children, the young ones
To guide on their way.
With Jesus and Mary
To love and protect us,
The bells will ring
They'll always ring
For you and me.

The bells of Saint Mary
A century they've called us
Through tears and with laughter,
We thank God today.
And so we'll continue,
In grace and with growing,
The bells will ring.
They'll always ring
For you and me.

Oh, bells of Saint Mary
We always will love you.
With your inspiration,
We never will fail.
Your chimes will forever
Bring sweet memories of you,
So proudly ring out
While we sing out
Hail, hail, hail!

INTRODUCTION TO ST. MARY SCHOOL

This handbook's purpose is to help make St. Mary Catholic School a place of academic excellence, with an atmosphere of Christian compassion and respect. One of the ways we can achieve this is by having a clear understanding of what is expected, why it is expected, and what the results are when these expectations are not met. This handbook will serve as the standard for expectations of the students and their families. These policies are a collaboration of federal and state laws as governed by the State of Texas, policies as mandated by the Fort Worth.

This is not intended to cover all diocesan and school policies and procedures. The purpose is to provide information about the most common areas that affect students and parents at St. Mary Catholic School.

For more information, clarification, or to address topics not covered, please contact the school principal. The principal reserves the right to amend the handbook at any time. In all cases, the definitive interpretation of the handbook remains solely with the principal and/or pastor.

Diocesan Notice: This handbook does not constitute a contract, expressed or implied, between any applicant, student/parent, or faculty/staff member and the school or Catholic Diocese of Fort Worth. The school reserves the right to change, alter, amend, discontinue, abolish, or depart from this handbook or any of the policies, rules, regulations, standards of conduct, protocols, services, programs, or activities within it at any time, without notice, at its discretion. The school provides the information herein solely for the convenience of the reader and, to the extent permissible by law, expressly disclaims any liability, which may otherwise be incurred.

PARISH MISSION STATEMENT

As members of St. Mary Parish in Gainesville, Texas, our primary mission is to live within the Church community in a manner faithful and pleasing to God, our Father, and to proclaim the Good News of Jesus Christ the Savior of all people. As Catholics, the opportunity to attend Mass and receive the Holy Eucharist in a spirit of shared celebration is prerequisite to fulfillment of our mission.

We are Christians who serve as witnesses to Christ's presence on earth and His ongoing ministry in society. United in this belief, we are called to work together in this ministry by serving those in need, worshipping, and forming a Catholic community bonded by love, humility, and compassion.

Through the power of the Holy Spirit and the gifts and talents of our members and the community at large, we are committed to continued stewardship of existing programs including RCIA and the religious education of all members. The maintenance and growth of St. Mary School is an essential element of our stewardship mission.

SCHOOL MISSION STATEMENT

St. Mary Catholic School exists to serve Jesus Christ by providing excellence in education and spiritual development of the whole person within the framework of the Gospel and traditions of the Catholic Church. Our mission is to foster a faith filled community of lifelong learners and compassionate leaders committed to living out Catholic values and following Jesus' example through prayer, service and love.

5288 MISSION INTEGRITY-DIOCESAN POLICY

Schools are to exercise their responsibility to teach Catholic faith and morals in the fullness of truth and charity, especially as expressed in the *Catechism of the Catholic Church*. As such, pastors, catechists, and other ministers of the faith (i.e., teachers, counselors, coaches, and school administrators) are called to meet people where they are to accompany and guide them to the Truth of the Catholic Faith.

Parents/guardians and non-Catholics whose religious practices or beliefs run counter to Catholic teaching might experience possible conflicts as mission integrity is maintained. Sincere questioning of the practices or teachings of the Catholic faith in order to more deeply understand them are acceptable and welcomed if done respectfully; however, hostile, disrespectful, or defiant challenge of Catholic practice or teaching, or the living of a lifestyle, engaging in other conduct, or advocacy of a matter that is contrary to Catholic practice or teaching, are signs that a student, parent, staff, or faculty member may not be a fit for the school's primary evangelical mission and may be denied admission or dismissed therefor.

HISTORY

St. Mary School was established in 1891 by the Benedictine Sisters. In 1902 four School Sisters of Notre Dame took charge of the school which was then a six-room frame building. Thirty-two pupils were enrolled that August which increased to seventy-five by the end of the year. The next school term 120 students enrolled. In 1905 high school subjects were offered for the first time. An official high school building opened in 1938. The present St. Mary Elementary School was erected in 1948. It was the first major structure built in Gainesville after World War II. The high school was disbanded in 1952. The School Sisters of Notre Dame phased out of direct administration and classroom instruction in 1984. The building was completely remodeled and air conditioning installed in 1979. A junior high section was added in 1985. A gymnasium was erected in 1991 in celebration of St. Mary Parish Centennial. In 2004 a new Early Learning Childhood Center with four classrooms was built onto the current school building. The staff continues a tradition of working with parents to stress the infinite worth of each individual student. Recent additions to St. Mary School include, air conditioning in the gym, a football field, new furniture for the classroom and we have several projects in the works.

ACADEMICS

ACADEMIC RESPONSIBILITY

Parents often ask how they can help their child in school. What can they do to ensure success? While some of the responsibilities may seem simplistic, they are all essential. As you can see, it takes more than teacher input. It also takes a firm commitment from students and parents equally. What happens in school is only a small part of the educational process. The follow-up at home, by both student and parents, is vital for success.

As parents and educators, we are dedicated to helping children become responsible citizens. Students must learn not only responsible conduct behavior but also responsible academic behavior. To this end, students are ultimately responsible for completing their own assignments and homework and for remembering to bring their own books, homework, assignments, and materials to class. Students are discouraged from calling home for forgotten books, homework, or materials.

Teachers try their best to notify parents if a student has lost a book, material or have received zeroes for missing assignments; however, it is the ultimate responsibility of the student to keep track of school assignments, grades, and materials and to relay this information to his or her parent. Students should make arrangements with teachers or outside tutors for extra help if further academic assistance is needed. At the beginning of the year, teachers will send home the times they are available to give students extra help.

The Teacher Will:

- Present material
- Explain the subject
- Model material
- Answer questions
- Provide practice
- Reteach and clarify
- Assess and grade
- Encourage students
- Create a safe environment
- **Acknowledge QUALITY**

- Follow examples
- Record assignments
- Review daily lessons

The Parent is encouraged to:

- Make school a priority
- Provide quiet work area
- Provide student supplies
- Monitor homework and due dates
- Ensure daily review in all subjects
- Reward good work and provide consequences for poor work
- Ask to see graded work
- Encourage reasonable bedtime

5000 ADMISSION OF STUDENTS, DIOCESAN POLICY

It is a privilege and a grace to be educated in a Catholic school. The schools and the Diocese retain the right to disallow a student to attend, continue attending, or to re-enroll in a school. Any enrollment prior to the first day of school, including but not limited to advanced enrollment, pre-enrollment, or continuing enrollment of a student, is a conditional enrollment subject to review and termination by the school at any time. Prior to the first day of school, the school does not have to state the reasons, or have grounds, for revoking or denying a conditional enrollment of a student. The school does not have to state the reasons for denying enrollment of a student at any point during the year. The conduct of a student or a parent/guardian of the student (including any lifestyle, other conduct, or advocacy of a matter that is contrary to the Catholic faith or that may cause scandal, disruption, or confusion within the school community) may be grounds for the school revoking or denying the enrollment of a student at any time.

1. All decisions of admission, including revocation of admission, are guided by the Catholic faith and are necessarily ecclesiastical in nature.

Students should not be denied admission to a Catholic school because of a disability unless the disability seriously impairs the student's ability to successfully complete the school's academic program or unless the school cannot provide sufficient care or provide reasonable accommodation for the student. The determination as to whether the school may provide reasonable accommodations for the student or applicant is made on a case-by-case basis. Under some circumstances, medically justifiable limitations may be placed on the admission/retention of students with infectious diseases and/or life-threatening illnesses.

International Students may be admitted in accordance with the requirements of the United States Department of Justice and the Department of Immigration and Naturalization. Students seeking admission under F-1 status must request an I 20 form from the Catholic Schools Office.

The enrollment or registration and attendance of a student at a Catholic Diocese of Fort Worth school constitutes an expressed agreement on the part of the student, as well as the student's parents/guardians, to comply with the school's policies and procedures and demonstrate commitment to the school's mission. Failure to read the material contained in the handbook does not excuse the student or the student's parents/guardians from responsibility for knowing and following the policies, procedures, and regulations in the handbook.

Students applying for admission must present a copy of the current report card and standardized test results. These will be reviewed to determine whether the program of the school will meet the educational needs of the students. An interview with the student is part of the admission process. Testing in certain academic areas may be held for new, incoming students.

All new students will be given a probationary period of one semester. If during this probationary period there are any concerns, a student may be asked to withdraw from the school. The recommendation and decision of the school is final.

MISSION POLICY IN RELATION TO ADMISSIONS

Parents of students enrolling their children in a Catholic school must understand, affirm, and support the school's role and primary mission as guided by the teachings of the Catholic Church. Parents must acknowledge that they have read and understand, affirm, and support the expectations and the mission of the school as guided by the teachings of the Catholic Church. Parents or students who the school determines are not able to meet these expectations or support the mission of the school and teachings of the Catholic Church may not be admitted to the school. Students who are experiencing confusion regarding their sexual identity may be admitted as long as they are open to being accompanied and guided according to the Gospel as upheld in the teachings of the Catholic Church and will follow the mission and policies of the school. Any student whose gender has been legally changed from their biological sex, or who has chemically or surgically altered their God-given biology, may not be eligible for enrollment.

WITHDRAWAL

If at any time before or after admission the school believes that a student or parent/guardian of a student cannot accept the guidance and direction that is offered, is unwilling or unable to meet the expectations of admission, or is unwilling or unable to follow the Gospel as upheld in the teachings of the Catholic Church or the mission or policies of the school, then denial of enrollment, withdrawal, exclusion, or expulsion may be necessary. If a student or parent/guardian acts to legally change the student's gender or takes steps to chemically or surgically alter the student's God-given biological sex, then the student will be dismissed from the school, after the parent/guardian is first given the opportunity to withdraw the student from the school.

IMPLEMENTATION

Privilege

Being educated in a Catholic school is a grace and a privilege, not a right of the student. The conduct of a student or a parent/guardian of the student (including any lifestyle, other conduct, or advocacy of a matter that is contrary to the Catholic faith or that may cause scandal, disruption, or confusion within the school community) may cause the student to lose the privilege of attending a Catholic school.

Parishioners – Non-Parishioners

A parish school's admission policy should give preference to parishioners. Students from other parishes are to be admitted, if possible. Students of other religious beliefs may be admitted, if space permits.

AGE

Policies regarding age of entry are determined by the TCCBED policy, and the State of Texas. All dates refer to the year of the student's entry into a specific grade level.

3K: A child must attain the age of 3 on or before September 1st.

4K. A child must attain the age of 4 on or before September 1st.

Kindergarten: A child shall have attained the age of five (5) years on or before September 1st. This includes children who have been enrolled in pre-school programs, i.e. 3K and 4K. Participation in a school's 4K program does not ensure acceptance into Kindergarten.

First Grade: A child shall have attained the age of six (6) years on or before September 1st.

The child's birth certificate shall be required for verification of age before he/she is enrolled. An exception may be made by the principal if children (1) have been enrolled in the first grade in another state prior to transferring to a school in Texas or (2) have attended a full school term in a Kindergarten program in another state that admits children who are under five years of age into the Kindergarten program.

The ability of a new student to achieve at a specific grade level, particularly when he/she is entering from a non-accredited school, shall be determined by conference with the parents and with the former teacher (if possible) and/or by the results of a standardized achievement test/evaluation which the receiving school administers.

5050 NON-PARENT/NON-LEGAL GUARDIAN ENROLLMENT & DECISION MAKING-DIOCESAN POLICY

If a non-parent/non-custodial guardian wishes to enroll a child in a school of the Diocese, or make decisions on behalf of the child, they must provide valid Authorization Agreement for Voluntary Adult Caregiver that conforms with chapter 34 of the Texas Family Code authorizing them to enroll the child or make certain other decisions on behalf of the child. If the child is 18 or will be 18 during the school year, the non-parent/non-custodial guardian must contact the principal / president. Their enrollment will be considered on a case-by-case basis. This includes any decisions being made during the school year.

An Authorization Agreement for Voluntary Adult Caregiver is the proper “minor power of attorney” promulgated by the State of Texas. The Authorization Agreement for Voluntary Adult Caregiver can be found at https://www.dfps.state.tx.us/site_map/forms.asp

Diocese Appeal 5220

If the parent or the guardian wishes to appeal the principal's expulsion decision, a written appeal must be mailed to the Superintendent of Schools within five (5) days from the date the parent or guardian is notified of the principal's expulsion decision. The Superintendent's decision will be conveyed to the parent or guardian by either the electronic email on file with the school, the home address on file with the school, or by meeting in person, electronically, or telephonically. The decision of the Superintendent is final and is not subject to any other appeal, grievance, mediation, or conciliation process of the Diocese.

5230 WITHDRAWAL AND TRANSFER-DIOSECAN POLICY

WITHDRAWAL is the voluntary termination of a student's enrollment by the parents or guardian without provision for enrollment in another school. Students should be encouraged to complete their education if at all possible.

TRANSFER is the voluntary termination of a student's enrollment by the parents or guardian with provision for the student to be enrolled in another school. A parent or guardian may decide to transfer a student at any time and for any reason or the principal and parents may mutually agree that the needs of a student will best be served in another school setting.

It should be noted that Withdrawal and Transfer are considered to be voluntary on the part of the parents or guardian.

The records of a student who has had the privilege of attending a Catholic school and was withdrawn because of the disruptive influence caused by the student's parent shall show that the student withdrew or transferred, unless the parent refuses to remove the student from the school after having been notified that the student is to transfer to another school. In this case, the student will be expelled and their records will reflect the expulsion.

IMPLEMENTATION

When a student withdraws or transfers, a notation of the fact is made, as required, on all necessary records and correspondence.

In some cases, a student's academic, emotional, or social needs might be better served in an alternate academic setting. The principal or counselor should advise the parents of the availability of such alternatives. A mutual agreement to transfer, reached out of sincere concern for the student, is preferable to utilization of suspension or expulsion procedures. A school may require a student either to transfer or to withdraw when the conduct of the parent of the student is disruptive to the school, or to a teacher in the school.

In the case of a transfer, the principal shall complete an Exit Report and give it to the parents or guardian together with the student's report card and health card. In the case of a transfer between Catholic schools, the principal must call the principal of the previous school BEFORE interviewing, testing, or registering the student. Communication between Catholic school administrators is necessary regarding expulsion, transfers, and withdrawals among Diocesan schools. The Catholic Schools Office must be contacted. If the family has an outstanding balance at the previous school, then that must be cleared before the student may be accepted at another school in the system.

Should the receiving school request it, additional information is to be provided and/or a copy of the permanent record may be sent directly to the receiving school by the previous school. (See Policy 5260.)

5235 REIMBURSEMENT FOR SCHOOL COSTS AND ATTORNEYS' FEES

The School recognizes the financial sacrifice many of its families make to participate in the school community. Out of respect for this sacrifice and in recognition of the School's responsibility to wisely steward financial resources for the benefit of all members of the school community, the School has implemented the following policy:

From time to time, the School is required to retain outside legal counsel to respond to parent requests or demands, attorney requests or demands on behalf of a parent or student, requests or subpoenas for testimony or documents in legal proceedings to which the School is not a party, or to address other issues affecting or involving only one or a few students or families. In such situations, the School is typically required to expend finite financial resources to address an issue which otherwise affects only a very small portion of the school community. To ensure that the school community at large is not adversely impacted in such situations, the School will, when the chief administrator of the School in his or her sole discretion deems it appropriate, require the family or families involved to reimburse the School for attorney's fees, costs of court, and other expenses incurred.

Accordingly, each person who acknowledges his or her agreements to the contents of this Handbook, either by written or electronic signature or by enrolling a student in the School, agrees that, in the School's absolute and sole discretion, he or she shall indemnify and reimburse the School and its officers, employees, agents, and representative ("Indemnitees") on demand from and for any and all attorneys' fees and related costs, including without limitation the cost of responding to parent or attorney requests or demands, requests for documents or other records or information arising from, in connection with, or related to 1) a violation of any provision of this Handbook, 2) any request or demand made upon the School which pertains to a legal proceeding or dispute to which the School is not a party, 3) threatening or harassing communications directed to any Indemnitee, or 4) threatened or actual litigation against any Indemnitee which does not result in a final and appealable judgement adverse to the Indemnitee.

5280 HUMAN SEXUALITY-DIOSCEAN POLICY

Reasons for a Policy on Human Sexuality

As the Congregation for Catholic Education noted in its 2019 instruction entitled "*Male and Female He Created Them*" *Towards a Path of Dialogue on the Question of Gender Theory in Education*, "It is becoming increasingly clear that we are now facing with what might accurately be called an *educational crisis*, especially in the field of affectivity and sexuality" (*Male and Female*, #1). It expounded upon the scope of the crisis stemming from an emerging radical view of human sexuality, noting:

The context in which the mission of education is carried out is characterized by challenges emerging from varying forms of an ideology that is given the general name ‘gender theory’, which “denies the difference and reciprocity in nature of a man and a woman and envisages a society without sexual differences, thereby eliminating the anthropological basis of the family. This ideology leads to educational programmes and legislative enactments that promote a personal identity and emotional intimacy radically separated from the biological difference between male and female. Consequently, human identity becomes the choice of the individual, one which can also change over time.” (*Male and Female*, #2) (internal citation omitted)

Our dignity and creation in the image and likeness of God, Christian anthropology, a proper understanding of human sexuality, and the essential importance of our sexuality and sexual identity as assigned by God are authoritatively and definitively revealed in Sacred Scripture and the teachings of the Catholic Church. (*see Genesis 1:27*; *see Male and Female*; *see Catechism of the Catholic Church (“CCC”), #355-373, 2331-2372*). As all entities of the Catholic Church are for the purpose of furthering the saving mission of Jesus Christ, they must operate in accord with the truth revealed by God in both natural law and divine revelation. In particular, our Catholic schools must remain in the fullness of the truth and charity in order to carry out their proper mission:

Since true education must strive for complete formation of the human person that looks to his or her final end as well as to the common good of societies, children and youth are to be nurtured in such a way that they are able to develop their physical, moral, and intellectual talents harmoniously, acquire a more perfect sense of responsibility and right use of freedom, and are formed to participate actively in social life. (*Code of Canon Law, c. 795*)

These truths extend into every facet of our lives, including – and perhaps especially – our sexuality.

Regarding sexuality and sexual identity, the Catechism of the Catholic Church states: “By creating the human being man and woman, God gives personal dignity equally to the one and the other. Each of them, man and woman, should acknowledge and accept his sexual identity.” (CCC, #2393). By its very nature, sexuality is ordered to the conjugal love of a man and woman within the bond of marriage (c. 1055). And marriage, which is a partnership of the whole of life, is always ordered by its very nature to both the good of the spouses and the procreation and education of children (*Ibid.*). All persons are called to chastity, to be lived out according to one’s state in life (CCC, #2337-2359).

These teachings of the Church are not mere antiquated notions. In fact, Pope Francis has repeatedly stressed the importance of a proper understanding of our sexuality, warning of the challenge posed by “the various forms of an ideology of gender that denies the difference and reciprocity in nature of a man and a woman and envisages a society without sexual differences (*Amoris Laetitia (“AL”), #56*). Pope Francis further notes that “biological sex and the sociocultural role of sex (gender) can be distinguished but not separated,” and that although we must always be “understanding of human weakness and the complexities of life,” that does not require us to “accept ideologies that attempt to sunder what are inseparable aspects of reality” (*Ibid.*). Ultimately, “[w}e are creatures, and not omnipotent,” and we must accept and respect our humanity “as it was created” (*Ibid.*; *see also Gen. 1:27, Matthew 19:4, and Mark 10:6*). Pope Francis then stresses that “the young need to be helped to accept their own body as it was created,” so that “we can joyfully accept the specific gifts of another man or woman, the work of God the Creator” (*AL, #285*).

As Pope Francis notes, we must always respect the sacred dignity of each individual person, which means that the Church cannot and must not accept the confused notions of gender ideology. We must not demean or deny the sincerity and struggle of those who experience same-sex attraction or who feel their true gender identity is different from their biological sex. Rather, we seek to accompany and to lead them on their journey of life, offering them the light of the Gospel as they try to find their way forward. These truths are not merely faith-based; rather, such realities are also knowable through the use of properly functioning senses and right reason (Pope St. John Paul II, *Fides et Ratio*, #22). We do not serve anyone's greater good by denying or falsifying the truth, for it is only the truth that frees us for the full life that God offers to each of us. Thus, when a person experiences either same-sex attraction or some form of gender dysphoria, such struggles do not change the biological fact of how God immutably created that person, and it would be untruthful for the Catholic Church or our Catholic schools to pretend otherwise. To pretend otherwise would contradict sound scientific evidence, reason, the nature of the human person, and key tenets of the Catholic faith (see National Catholic Bioethics Center, *Brief Statement on Transgenderism*). Therefore, the policies of our Catholic schools must respectfully uphold these fundamental truths.

Mustang Pride Awards are presented each nine weeks

CURRICULUM

St. Mary School offers a strong academic program in a Christian environment. In addition, the faculty provides religious instruction in the Catholic faith. Students in grades K-8 are required to attend Mass each week. Students in K3 and K4 will attend Mass designated days.

The Early Learning Center uses a program that is committed to developing and preparing the young child for elementary school.

Students in grades 1-8 receive instruction in religion, language arts, math, social studies, science, computer literacy, music, art, and physical education. Students in 8th grade have the opportunity to earn high school credits in Algebra I and Spanish I. They may also participate in extra-curricular academic competitions throughout the year such as NTIL (North Texas Independent League) and/or PSIA (Private Schools Interscholastic Association).

St. Mary School offers the Accelerated Reader Program to promote reading to students in grades K-8. Teachers in grades 3-8 will require students to earn AR points. For other students, it is an extra-curricular program. Any student who earns AR points will be allowed to redeem them for special rewards.

The curriculum of St. Mary Catholic School includes Religion and all subjects required by the State of Texas and Texas Catholic Conference. Teachers' lessons are planned around the Texas Essential Knowledge and Skills (TEKS) which are the state standards adopted by the State Board of Education.

St. Mary School is accredited by the Texas Catholic Conference under the Texas Education Agency. Accreditation occurs every seven years with annual renewals. The last official accreditation visit was in 2022.

GRADES

Numerical grades will be used on papers and tests. Report card grades for the students in grades 1-8 will also be numerical. The lowest passing grade is a 70. Special needs students may have grade modifications put into place.

Students in all grades will receive academic report cards each nine weeks. Report cards issued after the first and third grading periods will be given to parents at a scheduled parent-teacher conference. These conferences give both the parents and the teacher the opportunity to discuss the child's academic and social progress. If a parent is unable to come on the conference day, other arrangements must be made with the teacher. Grades are posted weekly on FACTS so that parents have access to current information at all times. It is the parents' responsibility to use this information to keep track of their child's/children's progress.

HOMEWORK GUIDELINES

6080 HOMEWORK

Homework which is properly designed and planned to meet the needs of individual students has a definite place in the educational program. Homework should be an opportunity for practice or reinforcement of material already reasonably taught in class. Homework can be for acquisition of background material for class participation. Homework should be assigned so as not to encroach on the student's need for rest, relaxation and family activities. Long-term projects may be assigned that require additional reference work. Teachers must inform the principals and the parents of long-term projects, requirements and due dates. Homework should not be assigned as a matter of course.

Suggested Homework Guidelines

ELC – 10 -15 mins.

Grades 1st & 2nd – 30 mins.

Grades 3rd, 4th and 5th – 45 mins.

Grades 6th, 7th and 8th – 45 mins to 1 hour

IMPLEMENTATION

Homework should only be assigned:

- to help the student become more self-reliant -to learn to work independently
- to improve the skills that have been taught in class -to complete certain projects that require individual and creative effort
- to encourage parents to become involved in the education process with their child/children

Homework should not be assigned:

- as a disciplinary measure
- as "busy work"

Homework is not assigned for the purpose of extending curriculum that could not be completed in class by the teacher. Nor is homework assigned for the sake of simply doing more, or work given on the assumption that significant quantities of work are equivalent to academic rigor. Additionally, The Catholic Schools Office recognizes that parental involvement is critical to a child's education. Homework can be used as an opportunity for parents to actively assist their child in his or her studies. This will also keep the parents informed as to the current topics of study in the class and the child's academic engagement level.

Failure to Complete Homework in Grades 4—8: Students will stay in detention that day until 4:30 p.m. The classroom teacher issuing a detention will be responsible for notifying the parent that the student has a detention via email, remind and/or phone call. If a child is unable to finish the work in one day, he/she will be allowed to complete the work at home that evening. Detention will be assigned the following day only if the work has not been completed and submitted to the teacher.

The exception will be late homework due to an excused absence. One day will be given to complete the work for each day the student has been absent. Therefore, if a child has a three-day excused absence, he/she will be given three days to complete all of the missed work.

INSTRUCTIONAL SUPPORT PROGRAM

The instructional support program offers both enrichment activities and remediation for students in grades K4-8. The program is staffed with a certified teacher. Classroom teachers must recommend students for the program. There is constant communication between the instructional support teacher and each classroom teacher to ensure that the needs of each individual student are met.

NO PASS-NO PARTICIPATION RULE

Since educating the students is the main focus at St. Mary School, it is very important to maintain a balance between education and extra-curricular activities. Because of this fact, St. Mary School has adopted a no pass-no participation policy for its students. Grades will be checked according to the following guidelines.

First three weeks of school: All students are eligible to participate. Grades will not be checked until after the students have been in school for three weeks. After the three weeks are over, the principal will check the grades of each participant the day before the activity.

At the end of each grading period: If a student is ineligible at the end of a grading period, that child will remain ineligible for three weeks. After the three weeks are over, the principal will check the grades of each participant the day before the activity. If the activity takes place over a weekend, eligibility will be determined by Friday morning. Students who have a failing grade will be ineligible for that activity. If a student has grade modifications in place, the principal will decide on his/her eligibility.

PHYSICAL EDUCATION

The TCCED (Texas Catholic Conference Education Department) requires all children to participate in physical education class unless an excuse from a doctor is on file in the school office. If a child is too ill to participate on a particular day, the parent should send a note to the classroom teacher. The teacher will see that the physical education teacher and the school office receives this note. Students may have to provide a medical clearance note from the doctor.

5285 ATHLETICS & OTHER EXTRA CURRICULARS-DIOCESAN POLICY

Eligibility for athletics and single-sex curricular/extracurricular activities is based upon the God-given biological sex of the student.

TEXTBOOKS

All textbooks are reviewed annually. The Diocese of Fort Worth updates the list of acceptable textbooks periodically. Textbooks are each student's responsibility and may be covered to minimize damage. Students will be responsible for replacing lost, damaged, or destroyed books.

5289 OFFICIAL SCHOOL DOCUMENTS-DIOCESAN POLICY

Diplomas, transcripts, school records, and any other official documents of the school (“official school documents”) shall be issued in conformity with the student’s God-given biological sex. Official school documents are also historical documents and, as such, must accurately reflect the name and identity of the alumnus/alumna during the time in which he/she was enrolled at and graduated from the school. If after graduation an alumnus/alumna legally changes his/her name, for whatever reason, and requests new versions of his/her official school documents, the official school documents may be issued in the following format: “Original Name, n/k/a. New Legal Name.”

ARRIVAL AND DISMISSAL POLICIES

ARRIVING AT SCHOOL

School hours are from 7:50 a.m. to 3:15 p.m. for the students in the Early Learning Center and from 7:50 a.m. to 3:30 p.m. for those in grades 1-8. All students must report to the parish hall each morning. For safety reasons, students should be dropped off in the car line. Parents who choose to park must walk their child to the staff member at the parish hall doors. The parish hall door is unlocked at 7:25 a.m. All students are required to be in their assigned places by 7:50 a.m. as the morning assembly is an important part of the school day. At this time an opening prayer, the pledge to the flag, and morning announcements will be made. Then, the classes will be dismissed with the teachers to walk to the classrooms. If students arrive after the parish hall doors are closed, parents must check them in at the front office. To provide for the safety of the children, all doors to the school will remain locked during the day with the exception of the main entrance. Visitors to the school must check in at the main office so they can be admitted to the building through the security door.

AFTERNOON DISMISSAL

Students should be picked up promptly at the end of the school day. At 3:15 p.m. all Early Learning Center students will be dismissed. They must be picked up on the north side of the ELC building. Students will not be dismissed through the main office. The traffic will go east on Mustang Alley which is a one-way street. Each student will be placed into the appropriate vehicle by a staff person. Adults should not park in the line and get out of their vehicles for any reason. Traffic must continue to flow. On the first day of school, each child will receive a placard with his/her name printed on it. This is to be hung from the rearview mirror to expedite the dismissal process.

At 3:25 p.m. all students in grades 1-8 will assemble in the Parish Hall and be dismissed after prayer. Students will not be dismissed through the main office. Driving through the car line is the safest way to pick up students. Adults who drive through the car line will enter from the east on Foreline Street and assemble in a line on the gym black-top. A staff person will load each car with the appropriate student(s) as it pulls through the covered area in front of the Parish Hall. Cars will go north on Weaver Street or west on Hall Street to exit. It is imperative that the line of cars move as quickly as possible. Therefore, any person who needs extra time for any reason should park and walk to the building to handle the situation.

Any child who has not been picked up by 3:45 will go to the after school program. The parent will be billed at a rate of \$6.00 per hour/per child or \$8.00 per hour/per family. No child will be allowed to be unsupervised after school. Each student will only be allowed to leave with people authorized to pick up that child. Therefore, parents must notify the school office if anyone other than a parent is to pick up a student.

When Jr. High students are dismissed from after-school athletic practices, parents should pick them up at the gym doors. If a student is not picked up within 15 minutes of practice ending, the student will be sent to the after school program and will be charged the appropriate fees.

EARLY DISMISSAL

School will dismiss at 12:00 p.m. on days designated as early dismissal days. Parents need to pick up students promptly on these days using the same afternoon dismissal guidelines. The after-school program will not be offered on Early Release Days. The dates will be printed on the school calendar that is sent home each month. Any changes will be emailed through FACTS immediately. Lunch will not be served.

EMERGENCY INFORMATION

Non-scheduled changes to the school day will be reported to parents via email, remind and KGAF radio. Since there are other schools named St. Mary School in the area, parents need to be sure to look for the inclusion of the word Gainesville in the announcement. St. Mary School will post information on their website (www.smsmustangs.com) and Facebook page.

EMERGENCY SCHOOLWIDE LOCKDOWN

Should an emergency arise that requires St. Mary School to be locked-down for security purposes, students will not be permitted to leave the building until the situation is resolved. In addition, visitors will not be allowed to enter the building. The principal will make decisions based on all of the information available at the time and do what is necessary to keep the students and staff as safe as possible. Information will be disseminated to the parents when it is safe to do so.

ATTENDANCE POLICIES

ABSENCE

A student's attendance is extremely important for learning. Anyone present less than two hours in the morning or two hours in the afternoon is marked absent for that part of the day. Excused absences include any that are preapproved by the office. In addition, absences due to illnesses, family emergencies, or medical appointments are considered excused. The parent should call or email the office before 10:00 a.m. on the day of an absence to let the school know the reason for the child's absence or may send a note explaining the reason when the child returns to school. Students who are absent for three days or more due to a medical condition must bring a doctor's note to be readmitted to class. Failure to do this could result in the child receiving an unexcused absence. All students must attend school 90% of the days in each semester so that advancement eligibility is not jeopardized. These decisions will be made by the principal. A Parent/Teacher Conference may be held to discuss excessive absences. Students may not participate in extra-curricular activities on any day that they have been absent from school. Any exceptions to this rule will need to be approved by the principal.

HEALTH PROGRAM AND PROCEDURES

For the safety of each student, parents or guardians must complete and return their Emergency Information Card to the administration during school orientation or before the first day of school. If information changes at any time during the school year, please promptly notify the school office.

IMMUNIZATIONS

Students must be current on immunizations to enroll. Religious objections to immunizations are not accepted. Students with medical exemptions must have a doctor's note.

MEDICATION

So that all safeguards may be taken to protect the health of the child, the school office must be notified before the first day of school, concerning prescribed medications and/or any special physical conditions of the child. Diocesan policy states that necessary medications such as those needed for epileptics, asthmatics, diabetics and hyperkinetic may be given at school. Acetaminophen and ibuprofen may be dispensed if necessary with written permission of a doctor. **ONLY DOCTOR PRESCRIBED MEDICATIONS IN THE ORIGINAL CONTAINER WILL BE ADMINISTERED TO THE STUDENT.** Medication must be accompanied by the appropriate form with instructions for administering, including specific dosage and times. Medication should be directly handed from the parent/guardian to the school nurse or office personnel. Medication may not be carried or kept by students in backpacks, lunch boxes, etc.

The Ft. Worth Catholic Diocese has issued a “standing physician order” so we may dispense certain over-the-counter medication here at school. This order includes:

Saline Eye Wash	Anti-itch topical cream/lotion	Lifesaver/Peppermint
Calamine Lotion/Spray	Aquaphor/Vaseline/Lip Balm	Cetaphil Lotion
Aloe Vera Gel	Hydrocortisone Cream	

ILLNESS / INJURY DURING SCHOOL HOURS

Should a child become ill or injured during the school day, and the matter cannot be handled at school, the parent will be called to make further arrangements. A child whose temperature is 100 degrees or above must be picked up from school as soon as possible. Please list an emergency contact that can arrive within 30 minutes of notification.

A parent must keep a child **home** if he/she is unable to follow the classroom routine or symptoms would prevent learning in the classroom. The following guidelines will be enforced but may not be all inclusive. Final decision will be made by the principal and or staff.

MEDICAL APPOINTMENTS

Doctor and dental appointments should be scheduled after school hours. If a student must be taken for an appointment during the regular school day, a note must be given to the child's teacher in the morning. Even though students will be picked up through the office, the teacher needs to know prior to the child's departure so the child will be ready to leave. Students must be signed out of school by a parent/guardian. The sign-out book is located in the school office.

TARDINESS

Parents are responsible for getting their children to school by 7:50 a.m. The morning announcements, prayer time, and the pledge to the flag are an important part of the school day; and all students are required to attend. For safety and security reasons, parents need to accompany tardy students into the building. Children who enter the classroom after the start of the day disrupt the teacher and the other students. Excessive tardiness may require a Teacher/Principal and Parent Conference.

DISCIPLINE

Promoting a safe, Christian environment is the primary goal of St. Mary School. Every student must realize that he/she is responsible for his/her actions. St. Mary School views discipline as a subject that needs to be constantly addressed. When a student chooses to break a rule, he/she also chooses to accept whatever consequences are appropriate. Students are expected to learn that discipline is necessary for spiritual, physical, and intellectual growth to occur. Each teacher has a classroom discipline plan which is sent home to the parents on the first day of school. This plan will list classroom guidelines and consequences.

BULLYING, FIGHTING, OR HARASSMENT

St. Mary Catholic School recognizes that each person has great dignity because each is made in the image and likeness of God; therefore, each person deserves respect. Respect and dignity are based on the Ten Commandments; we do not steal, lie, cheat, hurt a person in spirit or body, or do anything that would hurt the dignity of another. Such inappropriate behavior will be handled by the teacher and or principal. In union with our fellow schools in the Diocese of Fort Worth, the staff and teachers of St. Mary Catholic School will not tolerate fighting, harassment or bullying on or off campus while students are under their supervision. Fighting, intimidation, bullying and harassment of any kind are inappropriate and unacceptable. St. Mary School faculty has been trained to recognize and address inappropriate behavior. Depending upon the type and severity of the offense, a student may be given a disciplinary referral or a detention. A student may also be suspended or expelled.

** Note: Parents, please communicate with your child's teacher should you have a concern in this area.*

5281 BULLYING/HARASSMENT/VIOLENCE AND HUMAN SEXUALITY-DIOCESAN POLICY

All persons have inherent human dignity and are thus deserving of innate respect and love as a person. Bullying, harassment, or threats or acts of violence against any student based on that student's perceived sex, sexual orientation, or gender identity will not be tolerated (see above, sections 5290).

SCHOOL EXPECTATIONS

1. Attend and be on time for all classes.
2. Be prepared for each class with appropriate materials and assignments.
3. Be properly attired as explained in the dress code.
4. Demonstrate respect for the rights of staff members and fellow students.
5. Demonstrate respect for school property and the property of others.
6. Stand when an adult enters a classroom. Use an appropriate greeting such as, "Good Morning/Afternoon."
7. Do not eat in the classrooms, library, or computer room. (Supervised activities are an exception to this rule.)

8. Do not chew gum on school property.
9. Keep desks and lockers neat and orderly. Periodic inspections will be held.
10. Do not sit on bookshelves, desks, or tables.
11. Do not run in the halls.
12. Respect the privacy of any staff member. Never tamper with an adult's desk, computer, purse, etc.
13. Never show disrespect to anyone.
14. Comply with all classroom rules.
15. St. Mary School is not responsible for lost items. Students in the junior high school may put locks on the lockers. If a student has a lock on his/her locker, an extra key must be given to the homeroom teacher.

5282 CHASTITY-DIOCESAN POLICY

All persons are called to chastity in accordance with their state in life. For purposes of the school environment, chastity also encompasses modesty in language, appearance, dress, and behavior. Accordingly, romantic or sexual displays of affection are in principle not permitted at school.

5283 SEXUAL ORIENTATION AND SAME-SEX ATTRACTION-DIOCESAN POLICY

Students may not advocate, celebrate, or express same-sex attraction in such a way that is contrary to the authentic teachings of the Catholic faith, or that causes confusion, disruption, or distraction in the context of Catholic school classes, activities, or events. When discussing homosexuality or homosexual inclinations, the use of the term "same-sex attraction" is preferred, as it is a more appropriate description in accordance with the truths of Catholic faith and morals.

5284 GENDER DYSPHORIA (TRANSGENDERISM)-DIOCESAN POLICY

Everyone, man and woman, should acknowledge and accept his sexual *identity*. (CCC, #2333)

By creating the human being man and woman, God gives personal dignity equally to the one and the other. Each of them, man and woman, should acknowledge and accept his sexual identity. (CCC, #2393)

All students are expected to conduct themselves at school, at all school functions, and while representing the school at outside functions in a manner consistent with their biological sex as given to them by God. All students are to avoid behaviors associated with the attempt to redefine their God-given sex. Schools shall consider the gender of all students as being consistent with their God-given biological sex for all purposes, including, but not limited to, the following: eligibility for and participation in school athletics and single-sex curricular and extracurricular activities; school-sponsored dances; dress and uniform policies; the use of changing facilities, showers, locker rooms, and bathrooms; titles, names, and pronouns; and official school documents. If a student's expression of gender, sexual identity, or sexuality should be in conflict with the teachings of the Catholic faith, cause confusion or disruption at the school, mislead others, cause scandal, or have the potential for causing scandal, then the matter will first be discussed with the student and a parent or guardian of the student. If the issue is not resolved to the satisfaction of the school, whose primary goal must always be to uphold and to teach Catholic truths, principles, and doctrine, then the student may be dismissed from the school, after the parent/guardian is first given the opportunity to withdraw the student from the school. If a student is dismissed from the school under this policy, then the school will refund the unused portion of prepaid tuition on a pro rata basis.

5286 FACILITIES USE-DIOCESAN POLICY-DIOCESAN POLICY

Utilization by faculty, staff, students, or any visitors of school facilities, including but not limited to locker rooms, showers, restrooms, and overnight accommodations, will align with the person's God-given biological sex. School facilities are dedicated to the mission of Catholic education and may not be used by any member of the school community or any external organization or individual for any purpose or cause that is contrary to Catholic teaching or otherwise opposed to the Catholic Church.

5287 FORMAL TITLES AND NAMES-DIOCESAN POLICY

School personnel will address students by the name listed on the official school registration (or its common derivative) and the pronouns correlating to their God-given biological sex.

CONDUCT OUT OF TOWN

The same rules apply when students are off the campus as when they are on the campus. Students must remember that their behavior on a school trip can reflect on the reputation of the school and the community. Students need to keep this in mind and act accordingly.

CONDUCT WITH VISITORS

All visitors are to be treated with courtesy and respect. The goal is for a visitor to leave with a positive feeling concerning St. Mary School.

ELECTRONIC DEVICES AND CELLPHONES

***PARENTS: State Law prohibits cell phone usage in school zones.**

St. Mary School Students Cell Phone/Electronic Devices Use

Students are expected to demonstrate good digital citizenship. The following rules apply to students who have cell phones or other electronic devices at school:

*Students who have cell phones or other devices at school must have them silenced (not vibrate) and stored out of sight while they are under school supervision, not on their person. This includes during Before School arrival and After School dismissal. In certain circumstances, teachers/coaches may allow students to call/text their parents after extracurricular practices and events. The teacher/coach will supervise the use of the phone.

*Cell phones and other electronic devices may not be used for taking pictures, taking video, or voice recording or social media involvement. Devices that can take pictures are not allowed in restrooms or locker rooms.

*Devices that may be worn, including smart watches, that are capable of receiving text messages, phone calls, and/or taking pictures may not be worn at school.

First violation: Confiscation of the device by the teacher and returned at the end of the school day with a warning not to repeat the violation.

Second violation: Confiscation of the device by the teacher. Parent must retrieve the device from the teacher.

Third violation: Confiscation of the device by the teacher, who will give the device to the principal. Parent must retrieve the device from the principal.

Electronic devices are brought to school at the student's own risk. The school cannot guarantee that they will not be damaged or lost. Possession of a cell phone or other electronic device at school is a privilege that may be revoked if the student does not use the device within the established rules.

No harassment or threatening of persons via cell phone or other electronic device is permitted. The use of a cell phone or other electronic device to violate any school or diocesan policy, including the Acceptable Use Policy, may result in loss of the privilege to possess a cell phone or other electronic device at school. Any cell phone or electronic device that is brought onto the school campus is subject to inspection and/or search.

NOTE: The principal is the final recourse in disciplinary situations and reserves the right to interpret and/or waive any and all regulations for just cause in his or her discretion.

JUNIOR HIGH SCHOOL DISCIPLINE GUIDELINES

Students who receive an infraction may be assigned a combination of level one consequences or an after school detention. Consequences will be noted in Renweb and an email will be sent home. It is essential that when the first signal is given, everyone obeys promptly and clears the building by the prescribed route (signs are posted in every room) as quickly as possible. Students are not permitted to talk during a fire drill in case directions need to be changed. Students should remain outside the building until a signal is given to return inside.

LOCK DOWN AND SECURITY DRILLS

St. Mary School will hold lock down and security drills periodically throughout the school year.

TORNADO

In the event of a tornado warning, students should follow directions carefully. Areas of the building have been designated for shelter. Tornado drills are held in order to acquaint the students with the procedures and to minimize anxiety in the event of an actual tornado. If a tornado should occur at dismissal time, the staff will do what is necessary to keep the children as safe as possible.

AFTER SCHOOL PROGRAM

St. Mary School offers an after school program to its students. The program is designed for parents who can't pick their child/children up at the end of the school day. Staff members supervise the students, and the cost is \$6.00/hour for one child or \$8.00/hour for a family with two or more students. The fee is billed to the parents monthly, and parents are expected to pay monthly. A child will not be allowed to attend the extended day program if his/her bill goes unpaid for two months.

The hours are 3:45 p.m. until 5:30 p.m. The after school program ends promptly at 5:30 p.m. Children must be picked up by this time each day. Students who are habitually picked up after 5:30 p.m. will be dismissed from the program. This will be the principal's decision.

Discipline issues will be handled by the after school director. The following guidelines will be followed:

1. Warning sent home to the parent.
2. Meeting with the parent.
3. Meeting with the director/principal/parent.
4. Possible dismissal from after-school program.

FIELD TRIPS

School-sponsored field trips are educational in nature and must be approved by the principal. The Diocesan policies and guidelines for field trips must be followed along with the following rules and regulations. A written official permission slip, signed by the parent, is required before a child will be permitted to attend. Verbal permission cannot be accepted.

Rules & Regulations for Parents and Students to Observe While on a School-Sponsored Field Trip

1. Each parent volunteer will be assigned children to guide and supervise during the field trip.
2. All children must have a seatbelt fastened properly while the vehicle is in motion and should keep his/her seatbelt fastened until instructed to remove it by the driver of the vehicle.
3. Children are expected to be well-behaved, and the parent assigned to them should accept nothing less. Any disruptive behavior should be reported to the teacher immediately.
4. Once the students have arrived at the destination, all groups are to remain at that location until the designated time of departure. Parents are not to leave the location and must follow the teacher's decisions regarding meeting times, meeting locations, departure times, etc.
5. Each field trip is unique and teachers have the right to add any rules that may be necessary to ensure a safe and enjoyable field trip.
6. Adult supervisors are not to smoke while on a field trip.
7. Drivers are not to engage in cell phone usage when participating in field trips.
8. Drivers must comply with the school-approved itinerary and may not deviate from the approved destination and stops in-between.
9. All music and material in the vehicle must be of age appropriate content.

Diocesan policy prohibits St. Mary School personnel from taking students on overnight field trips. Field trips of this nature are not authorized by St. Mary School. If these field trips are planned by other individuals for students who attend St. Mary School, the individuals who participate do so at their own risk. St. Mary School is not liable under these circumstances. Fund raisers organized to pay for such trips are not under the jurisdiction of St. Mary School, and no individual is authorized to use the school's name to raise such funds.

GENERAL POLICIES AND PROCEDURES

CUSTODY

Parental rights extend to either parent unless the school has been provided with evidence that there is a court order, statute, or legally binding document relating to matters such as divorce, separation, or custody that specifically revokes these rights. A copy of such document must be in the school file. In case of joint custody both parents should be equally informed of their child's progress. It is the parents' responsibility to inform the school if special accommodations need to be made.

3240 INTERNAL INFORMATION-DIOCESAN POLICY

The School is part of the Catholic Diocese of Fort Worth. As such, when appropriate, any student/parent record or information possessed by the School, including academic, developmental, behavioral, disciplinary, financial, or contact/identifying information, may be shared internally within the Catholic Diocese of Fort Worth (including its departments, schools, parishes, priests or the Catholic Diocese of Fort Worth Advancement Foundation).

Academic testing information and results may be shared with other schools of the Catholic Diocese of Fort Worth for academic, enrollment, or placement purposes.

Additionally, any information submitted in or with any financial aid application (including FACTS) may be shared with the Catholic Diocese of Fort Worth, the Catholic Diocese of Fort Worth Advancement Foundation, their affiliates, any tuition assistance board of the diocese, parish, or school, or the Stephen Breen Memorial Foundation to consider in awarding financial aid or developing additional tuition assistance programs.”

GRIEVANCE PROCEDURE

Our goal at St. Mary Catholic School is to make every effort to ensure effective communication between families and staff, but from time-to-time a misunderstanding may occur. If a parent/guardian has a grievance, please refer to the following guidelines and procedures.

1. Grievances are handled most satisfactorily at the level at which they occur. Therefore, if a parent has a staff-related grievance, an attempt must be made to settle the matter first with the staff member.
2. If a satisfactory solution is not reached, the family should contact the Principal.
3. If the issue is still not resolved, the pastor and then the superintendent of schools may be consulted.
4. Allow yourself time to consider all options. Please respect a 24-hour cooling off period and do not confront teachers, coaches, or administration while emotions are high. Under no circumstance is a parent to disrupt a teacher during class time. Please respect everyone's privacy and do not call teachers at home.
5. If you have a concern that involves a child other than your own, please talk to the teacher about this concern.
***Do NOT talk to the child with whom you are concerned.**

Diocesan guidelines state that the proper procedure must be followed. Grievances will not be heard by the people on the higher levels if the people on the lower levels have not been consulted. Hopefully, we can resolve any concern informally in an open, cooperative, Christian atmosphere. In this way, we may model peaceful conflict resolution

HEALTH FORMS

All new students are required to submit a medical report completed and signed by a physician. The school office must be notified of any conditions that affect a child's general health. In addition, all students must have the required immunizations to attend St. Mary School. Failure to receive the state-mandated immunizations will result in a child being sent home until an updated immunization record is submitted to the school office.

LIBRARY

All students have access to the school library to check out books and use reference materials during regularly scheduled library periods. Students with overdue books will be assessed a fine of \$.10 per day for each book, but they will be allowed to check out materials for the next two regularly scheduled library periods. After that time, however, the overdue books must be returned before a student will be allowed to check out additional materials. Any student who loses or damages a library book will pay for its replacement.

LUNCH PROGRAM

Hot lunches are prepared according to USDA standards and served in the cafeteria each day. St. Mary School follows the Diocese of Ft. Worth Wellness Policy. A copy of the wellness program can be obtained in the school office. A menu will be sent home at the beginning of each month. Lunches are \$3.00 for all students. Lunch money should be submitted in a sealed envelope labeled with the student's name, grade, amount of money enclosed, and the date(s) the student will be eating or purchasing milk. Lunch fees may also be paid through FACTS. The money may be submitted daily, weekly, or monthly. The school office will notify a parent when a child's lunch bill reaches \$40.00. This bill will need to be paid before the student will be allowed to eat food from the cafeteria.

Tier I and Tier II lunches are available to qualifying families. Application forms are sent home on the first day of the school year but are accepted anytime during the year. Therefore, a family whose financial situation changes during the year can still receive assistance.

Students may bring lunches from home as long as they do not require heating. Milk is available for \$.50. Parents may bring in lunch for their students, however it must arrive 15 minutes before the students scheduled lunch time.

PARTIES

Students are not permitted to receive gifts during school hours. This includes balloons, flowers, candy, baskets, stuffed animals, etc. Party invitations given out at school must be given to each student in the classroom. Students may bring treats for their class to celebrate birthdays. The treats will be given to the students at the discretion of the teacher. No party favors are permitted. Throughout the year, each classroom teacher will decide what other holidays will be celebrated. Therefore, information concerning parties will be sent home from individual classroom teachers.

SCHOOL SECURITY

Students and staff members are not to open locked doors during the school day to admit people to the building. All visitors are to enter through the front doors, check in at the office, and be admitted through the security door. Any stranger seen in the building should be reported to the office immediately.

VIOLENCE AND WEAPONS

The school is concerned with providing students and employees with a safe and productive environment. As such, the school expressly prohibits any and all acts or threats of violence by or against any student, employee, family member of a student, vendor, or other visitor to the school facilities. This policy applies to all students and employees, whether or not they are engaged in business on behalf of the school, and whether or not they are on school premises.

In addition, the school strictly prohibits the possession of, exhibiting or threatening to exhibit or to use, or use of any and all weapons, including handguns, on school premises by any student or employee, family member of a student, vendor, or other visitor, whether licensed or unlicensed and whether concealed or visible. School premises includes not only the main facilities, but also the parking lots, entrances and exits, break areas, etc. Students and employees are further prohibited from the possession of, exhibiting or threatening to exhibit or to use, or the use of any and all weapons while conducting business on behalf of the school off of school premises.

The school is required to post signs containing the written statutory notice prohibiting bringing concealed weapons onto the school property. Contact the Diocese for the specific wording and statutory requirements for the written notice.

REGISTERED SEX OFFENDERS

No individual, who is required to register as a sex offender under Chapter 62, Code of Criminal Procedure, or any other statute, may be a student. Any student, who is required to register as a sex offender, shall be expelled from the school.

REQUIREMENTS FOR INDIVIDUALS WISHING TO COME ON SCHOOL PROPERTY OR ATTEND SCHOOL ACTIVITIES

Parents and other individuals are welcome to visit the schools of the Diocese and to attend school sponsored activities. During school hours, all parents and visitors entering the school property, other than to deliver or to pick up the child, must first go to the school office and sign in. Visitors are not allowed to disrupt a teacher during class time or visit the class room during class. In order to visit the classroom during class, written permission from the principal stating the reason for the visit must be obtained in advance. Generally, two (2) days' advance notice is required, but if circumstances permit and the reasons are warranted, principals may establish either a longer or shorter period. The principal will respond to the request either approving the request with possible restrictions or denying the request. Teachers are to refer any parent visiting the classroom without the approval of the Principal to the school office and the parent will be asked to leave the school immediately. An individual who (1) has been convicted of sex related crimes or a crime involving a minor and (2) does not have a child or grandchild attending the school is not welcome on the school property or to attend school sponsored activities. A parent or grandparent of a child attending the school and who (1) has been previously convicted of a sex related crime or a crime involving a minor and (2) wants to visit the school or to attend a school sponsored activity must submit a written request to the principal prior to the anticipated visit. Generally, at least five (5) school-days' advance notice is required and the request must provide the school with written documentation concerning each such conviction, including but not limited to all details concerning probationary status or restrictions. The principal will respond to the request either approving the request with restrictions or denying the request. If the individual is allowed to come on to the school property or to attend a school sponsored activity, the school will provide the individual with the written conditions for the visit, which may include supervision by school personnel during the time of the visit. If the individual fails to comply with the written conditions established by the school, then the individual will be denied permission to be on school property and/or to attend school sponsored activities.

Companies who provide contracted services to the school are required to give letters of recommendation on behalf of each contracted employee as well as provide appropriate documentation that each employee has completed a criminal background check. Under no circumstances will a company send the school a contracted employee who has been previously convicted of a crime involving a minor. Failure by companies providing contracted services to comply with these procedures and the safe environment policy as established by the Diocese of Fort Worth may be considered breach of contract and result in termination of the contract. More detail regarding this issue can be obtained in the Diocese of Fort Worth Safe Environment Policy and Code of Conduct

5286 FACILITIES USE-DIOCESAN POLICY

Utilization by faculty, staff, students, or any visitors of school facilities, including but not limited to locker rooms, showers, restrooms, and overnight accommodations, will align with the person's God-given biological sex. School facilities are dedicated to the mission of Catholic education and may not be used by any member of the school community or any external organization or individual for any purpose or cause that is contrary to Catholic teaching or otherwise opposed to the Catholic Church.

5315 SUBSTANCE ABUSE POLICY-DIOCESAN POLICY

As a Catholic school, our faith calls us to treasure our dignity as human beings. We are also a family community and our concern for the health, safety, and welfare of our students and families is paramount. It is important that our students' welfare be continuously protected -- including after the school day ends, on weekends, and throughout the year. The use of illegal substances by students damages their spiritual well-being, performance, and development. Rooted in our concern for the welfare of our students and families, this substance abuse policy supports our mission of seeking truth, developing personal responsibility, and encouraging the full use of the gifts God gives to each developing young person.

Students are expected to avoid the use of tobacco products, consumption of alcohol, and use of drugs. The use of tobacco, alcohol, and other illegal substances negatively affects the growth of young people, subjects students and parents to potential criminal and legal jeopardy, harms student health, disrupts the educational process, endangers others, and negatively affects the reputation of the school community. To be successful, this policy requires the support of the entire school community, which includes students, parents, faculty, staff, and administration sharing in a spirit of cooperation, honesty, accountability, and responsibility.

IMPLEMENTATION

A student who possesses, uses, distributes, or exercises custody or control over alcohol, drugs (including controlled substances), or drug paraphernalia, whether on or off campus, may face disciplinary action, including but not limited to losing the privilege of participating in extracurricular activities or athletic programs, probation, suspension, or expulsion from school. In addition, the student may be required to submit to a random drug test (or ongoing random drug testing) or undergo a drug/alcohol screening and assessment at an agency approved by the School, at the expense of the student or the student's parent/guardian. Parents/guardians must sign a release of information consent form so that results of the assessment can be shared with the School. School administration must receive the assessment and recommendations from the agency. If requested by the School, the student must agree to follow a treatment plan.

A student suspected of being under the influence of drugs or alcohol, including while at school or at a school-related event, may be required to submit to a school-approved drug test or breathalyzer test. If the test returns a positive result, disciplinary action will be taken. A student who refuses to submit to a drug test or breathalyzer test when requested by the School will be deemed to have given a positive test result or be under the influence, and disciplinary action will be taken.

Students do not have an expectation of privacy in any property or items brought onto School premises or to school-related events. The School reserves the right to search lockers, coats, bags, automobiles, and other personal belongings of students at the School or at school-related events. Students who do not cooperate with the search or search request will be subject to disciplinary action.

The refusal of the student, or a parent/guardian of the student, to comply with this policy or submit to the School's requirements or requests will result in disciplinary action, which may include losing the privilege of participating in extracurricular activities or athletic programs, probation, suspension, or expulsion from school.

PARENTAL INVOLVEMENT

ADULT BEHAVIOR

St. Mary School believes that parents are the first and most important teacher their children have. Therefore, it is important for parents to remember that they are role models for all of the students with whom they come in contact. Behavior at extra-curricular activities is visible to both students and adults from this community as well as the visiting one. This behavior can have an adverse impact on the reputation of St. Mary School as well as give the wrong message to young people concerning appropriate adult behavior. Parents are asked to keep this in mind and exhibit acceptable behavior at all times.

In addition, adults are asked to remember basic rules of courtesy when interacting with staff members, other parents, etc. Discussing school employees and/or school issues with others often results in incorrect information being disseminated throughout the community. Please call the school office if there are questions concerning St. Mary School.

Diocesan Policy states: PARENT BEHAVIOR – SECTION (F) POLICY 5220:

“Actions of the parent of a student may be grounds for the student to lose the privilege of attending a school. The parents of a student are expected to conduct themselves so as not to be a disruptive influence on the school or a teacher. A parent of a student who becomes a disruptive influence shall be requested to withdraw the student from the school. The student's records shall reflect that the student has either withdrawn or transferred. The student's records shall not reflect expulsion, unless the parents refuse to remove the student from the school after having been notified that the child must withdraw or transfer to another school.” If, in the opinion of the administration, a student or his/her parent(s) do not support the philosophy and mission of the school, the student may be asked to withdraw. It is the school's expectation that students and parents follow both the letter and spirit of the school's mission.

ADVISORY COUNCIL

The Advisory Council is responsible for giving advice concerning school issues. The council is composed of elected members who are both Catholic and Protestant, a Home and School Association representative, the pastor, the principal, a representative of the staff, and the business manager. Parents who wish to bring a matter to the council's attention should submit the item in writing to the council president at least ten days prior to the meeting so the issue can be added to the monthly agenda. Parents are welcome to attend the council meetings which are held quarterly during the school year. Only agenda items are eligible for discussion.

FALL FESTIVAL

The Fall Festival is St. Mary Catholic School's main fundraiser for the year and is held on the last Sunday in September. Various committees which include parents, school staff, and volunteers organize and run the Fall Festival. Since each family is asked to serve ten volunteer hours per year, this is one way to reach this goal.

SCHOOL MEETINGS

The principal must be informed of all meetings that are scheduled. This includes parent meetings, athletic meetings, Home and School Association meetings, Fall Festival meetings, etc. An agenda should be submitted to the principal prior to the meeting if one is available.

FUND RAISERS

The Fall Festival is one of our main fund raiser that is approved by St. Mary School. All other fund raisers must have the prior approval of the principal. Under no circumstances can any individual benefit from a fund raiser held by any organization associated with St. Mary School.

Fund raisers organized to pay for unauthorized overnight field trips are not under the jurisdiction of St. Mary School, and no individual is authorized to use the school's name to raise such funds.

HOME AND SCHOOL ASSOCIATION

All teachers and parents of children who attend St. Mary School are members of the Home and School Association. Parish members are also invited to participate. This organization provides a vital link between parents, teachers, and the school. Meetings and activities sponsored by the Home and School Association are held throughout the school year.

PROTECTING GOD'S CHILDREN

Diocesan guidelines require all adults who come into contact with students to help create and maintain a "safe environment" for them. Therefore, the Diocese expects these adults to participate in the Protecting God's Children program. This program requires the participating adults to submit to a background check and attend the training. The initial training is three hours in length and must be updated every two years. All sessions after the initial one are two hours long. Every volunteer must participate in this program, and each parent is encouraged to participate. For more information concerning these training sessions, contact the school office.

VOLUNTEER HOURS

Diocesan guidelines require all volunteers to help create and maintain a "safe environment" for children by submitting to a background check and attending the Protecting God's Children training once every three years. For the next new volunteer training or volunteer update training, contact the school office.

Each family is asked to contribute ten volunteer hours per year to St. Mary School. There are many ways for families to get involved with activities at the school. Parents can help with classroom parties, field trips, sports events, the Fall Festival, Field Day, etc.

STAFF INFORMATION

SUPERVISION OF STUDENTS

All students will be supervised by the staff at school events on and off of the campus. Students are to obey school regulations at all times. All students on campus after school hours must be supervised by a staff member. Under no circumstances are any children to be left unsupervised in any room or facility on the campus.

TEACHER AVAILABILITY

A parent may call the office or contact the teacher to schedule a conference before or after school. Teachers are also available to have conferences during their conference times. These appointments can also be scheduled through the office or directly with the teachers.

Emailing a teacher is a convenient way of communication. It does not, however, take the place of a face-to-face conversation. Conferences are still the best way to communicate with a staff member.

Please respect the teachers' and staffs' privacy by not contacting them in the evenings or weekends during their personal time.
